

NIAGARA ON THE LAKE
PUBLIC LIBRARY

Strategic Priorities

Volunteers/Fundraising: That the Library support the creation and development of a volunteer group to be a champion for future fundraising;

Outreach and Community Liaison: That there be continued outreach into the community to build a positive local and professional reputation;

Information Technology Leader: That the Library becomes a leader in information, educational and recreational technology;

Staff Professional Development: That the CEO and Board provide ongoing support for both staff and Board improvement and development.
